Program Fees

Students applying to enroll on the Program through a student exchange agreement between their University and El Colegio de México will be able to apply for a scholarship to pay the program fees (we only have the capacity to grant one 100% scholarship and two 50% scholarships to each university).

Students enrolling without any such agreement must pay a fee of:

US\$1,000 dollars (one thousand U.S. Dollars).

However, when paying before May 11th students will be granted a US\$200 (two hundred U.S Dollars) reduction on the program fee*.

In every case, all our students must cover **all expenses associated with meals, accommodation and travel****.

* This type of students, applying without a scholarship's agreement, will be granted a \$200 USD (two hundred U.S dollars) reduction on the program fee when paying before April 11th

** The Program will provide a list of external accommodation options that students may choose to contact at their own responsibility.
